**Resurrection: The Power of God for Christians and Jews** Kevin Madigan, Jon D. Levenson

This book, written for religious and nonreligious people alike in clear and accessible language, Although this expectation, known as the resurrection of the dead, is widely understood to have been a part of Christianity from its beginnings nearly two thousand years ago, many people are surprised to learn that the Jews believed in resurrection long before the emergence of Christianity. In this sensitively written and historically accurate book, religious scholars Kevin J. Madigan and Jon D. Levenson aim to clarify confusion and dispel misconceptions about Judaism, Jesus, and Christian origins.

Madigan and Levenson tell the fascinating but little-known story of the origins of the belief in resurrection, investigating why some Christians and some Jews opposed the idea in ancient times while others believed it was essential to their faith. The authors also discuss how the two religious traditions relate their respective practices in the here and now to the new life they believe will follow resurrection. Making the rich insights of contemporary scholars of antiquity available to a wide readership, Madigan and Levenson offer a new understanding of Jewish-Christian relations and of the profound connections that tie the faiths together.
