**Sixties Britain: Culture, Society and Politics** Mark Donnelly

*Sixties Britain* provides a more nuanced and engaging history of Britain. This book analyses the main social, political, cultural and economic changes Britain undertook as well as focusing on the 'silent majority' who were just as important as the rebellious students, the residents of Soho and the icons of popular culture. *Sixties Britain* engages the reader without losing sight of the fact that the 1960s were a vibrant, fascinating and controversial time in British History.
