**Hilarious!**

**" So funny! I had a great time going through the book & reading each of the pages. I'd never even heard of some of the sayings or words. Each page is black with the wording and/or design in white. A little unusual for a coloring book as most pages are all white, however it works very well with this book since it helps highlight the words and pictures themselves. Mixture of easy & challenging pages. Great value! "**

**" I just got this in the mail today & I love it. It'll really give me something I can do & keep me busy in my down time as a stay at home mom, but its also something that I can stop & put down at any time to feed my daughter. This will be a nice stress reliever to focus on something else. Thank you."**
