**Professional Societies and Ecologically Based Pest Management: Proceedings of a Workshop** National Research Council, Division on Earth and Life Studies, Board on Agriculture and Natural Resources

The National Research Council's (NRC) Board on Agriculture and Natural Resources invited professional societies associated with agriculture and ecology to participate in a two-day workshop to explore leadership and a common vision for ecologically based pest management (EBPM). These proceedings describe the challenges of and opportunities for EBPM discussed by participants in the workshop.
