Rose Bible Basics: Why Trust the Bible

Rose Bible Basics: Why Trust the Bible

Is the Bible an ancient document that has been tampered with? Has it been edited many times over the centuries and now is filled with errors? How can we know what the Bible really said when the originals no longer exist? Bestselling books that promote these doubts, such as Bart Ehrman's *Misquoting Jesus: The Story Behind Who Changed the Bible and Why*, are influencing today's news media, and these teachings are being treated as fact. Now is the time to address the topic of textual criticism in our churches and help Christians become better informed — ready to "defend the faith."

"The Bible can be trusted," says author Dr. Timothy Paul Jones. The good news is that the Bible is reliable, even though it was hand copied and there are variations between texts. This book explains the variations and why they don't affect the trustworthiness of the Scriptures.

Dr. Jones' interest in this topic began many years ago when he came across these arguments in seminary. At first his faith was badly shaken and he wondered if he still believed. But as he dug deeper, he found answers. Dr. Jones shows the errors in critics' logic and facts —and does it in an easy-to-understand style with charts, diagrams, and explanations.

This full-color book gives answers to the following claims by critics:

- The Gospels were written long after Jesus lived by people who weren't eyewitnesses.
- The stories about Jesus' life and death were not handed down reliably and not recorded accurately.
- The Bible is full of textual errors, as proven by the Dead Sea Scrolls
- The New Testament wasn't finalized until hundreds of years after Jesus and his disciples, so there could have been many other "Gospels" accepted and later rejected -- in addition to the four Gospels found in the Bible today.
- The originals of the Bible are lost, therefore we have no way of knowing what it actually said.
- The Bible was edited by people who had an "agenda" and changed many teachings.
- The chapter titles are How We Got the Bible; Dead Sea Scrolls; 100 Proofs for the Bible; Why Trust the Bible; 100 Prophecies Fulfilled by Jesus; and the Gospels "Lost" & Found.

112 pages. Full color, dozens of color photos and illustrations and charts, 6 x 9 inches.
