"Some pigs can kiss/Some pigs can hug/Some pigs get tucked in nice and snug."

*Some Animals* are two funny, frolicsome, whimsical little books about animals that do all the many things that boys and girls do—or would like to do. A variety of comically illustrated pigs fill the pages of this book. These humorous pigs are described in clever little rhymes that contrast one animal with another. Toddlers will see something delightful on every cheerful page. (Ages 1-4)
