The Passionate Camera: Photography and Bodies of Desire Deborah Bright

The Passionate Camera brings together over fifty artists, scholars and critics to address a broad range of issues in photography and sexuality. The authors address the importance of reinterpreting historical works by known homosexual photographers, issues in contemporary photography and sexual diversity, and the use and abuse of photographs of sexual subjects in current political campaigns and direct activism. *The Passionate Camera* features color and black and white illustrations of works by artists such as Ajamu, Catherine Opie, Lyle Ashton, Yasumasa Morimura, John O'Reilly and Sunil Gupta. For the first time, these works have been gathered together in a lucid and accessible critical context, making *The Passionate Camera* the pre-eminent source on queer and sex-radical photography at the end of the twentieth century.
