**Colonial America in an Atlantic World (2nd Edition)** T. H. Breen, Timothy D. Hall

*For courses in Colonial American History*

## **A story of interaction and adaptation in the Atlantic world.**

*Colonial America in an Atlantic World* presents the story of interaction and adaptation among the peoples of four continents that resulted in the development of the North American region that became the United States. Authors T.H. Breen and Timothy Hall discuss the social, political, environmental, and cultural processes set in motion by European exploration and settlement, and cover the sometimes-overlooked contributions of Native Americans and Africans to Atlantic history. Expanded to include a new, three-chapter section on the American Revolution, the second edition traces Atlantic history right up through the ratification of the U.S. Constitution in 1788.
