What did you want to be when you grew up? When you were ten years old and looked into the future, did you see yourself as a private detective? A superhero? A talking parrot? Welcome to the New World, a world which has been transformed by God and His Angels to grant everyone their childhood dream ... whether they still want it or not. Eight writers bring you their vision of the New World, where regular people are faced with the challenges of Dreams and Nightmares made real. How would you navigate a world now populated with dragons and demons, where the scars of childhood are brought back in nightmarish form? Explore a world where fantasies have been given form, and discover why dreams are more dangerous when they happen in the light of day.
