The book is about forgiveness, healing, the outdoors, observations, perspective, and the lifestyle of working, playing and resting outdoors all of which are now clearer through spending time reading The Bible (KJV). This book is a poem of Truth that is even more of an awareness versus hind sight. Basically, it is a way of making sense of events, relationships, and turmoil in my life with the aim of making amends. Troy Lynch is a blend of east-west harmony; his mother is of Japanese descent from the island of Oahu, Hawaii and his father of Caucasian ancestry from Norfolk, Virginia. Troy comes from an athletic background, has a Master's degree, is a small business owner, travels across the United States and Asia, and considers Hawaii to be home. He attended the Saving Your Future Workshop in Hawaii which has made the largest impact in his life and served as motivation of his first book of haikus under the same title. The goal is merely to share "Good Information" with others in that it may help others realize the "Fruits of The Spirit" are the "measure of success" and not materials accumulated during our short time here on earth.
