My Brain Hurts (Comix) Liz Baillie

Liz Baillie crafts a Degrassi-style teenage soap opera about queer punks in New York City! Our story resumes with Joey in a coma after an incident of queer bashing and Kate and Desi's relationship on the rocks. Desi's really religious, and Kate's really not, and they struggle to find a middle ground. The boys get caught smoking and uh, other things in the boys room, Kate getting in awkward situations with a hate crime perpetrator at her internship job, and much much more! Will queer teenage romance succeed? Will our heroes prevail over high school principals, skinheads, and a homophobic society?
