Secret Lives of Jehovah's Witnesses Jennifer Arballo

Jennifer wrote Secret Lives of Jehovah's Witnesses so that other people can see what they really are all about. They are the most two-faced, double-sided people you'll ever come in contact with. It is time to take the mask off and show the world what they really are. The writings in this book are based on facts from the Jehovah's Witnesses own teachings, my first-hand knowledge and the knowledge of ex-communicated Jehovah's Witnesses. Included are the history of their beginning and the truth of their beliefs about the bible and holidays. Also included are plans for a compound idea for Jehovah's Witness families that came from my grandfather who was an elder in this religion. The truth will come out about the secret lives of the Jehovah's Witnesses.
