The Rhythms of Stone

Dj Garrity

The Rhythms of Stone Dj Garrity

The Rhythms Of Stone is the essential guide to the basic tools and techniques for carving the human face in stone. The book is derived from a work-in-progress within the Nobel Laureate Series of portraits in stone by Sculptor, DJ Garrity. The award-winning artist introduces the 'process aesthetic' mode of direct stone sculpture, a subtle and intuitive approach that utilizes simple hand tools to finesse the human visage from within the ancient patina and natural contours of stone.
