**User-Centered Translation (Translation Practices Explained)** Tytti Suojanen, Kaisa Koskinen, Tiina Tuominen

Translators want to take their readers into account, but traditional translation theory does not offer much advice on how to do that. *User-Centered Translation* (UCT) offers practical tools and methods to help empower translators to act for their readers. This book will help readers to:

- Create mental models such as personas;
- Test translations with usability testing methods;
- Carry out reception research.

Including assignments, case studies and real-life scenarios ranging from the translation of user instructions and EU texts to literary and audiovisual translation, this is an essential guide for students, translators and researchers.

### **From reader reviews:**

#### **Thersa Moss:**

What do you regarding book? It is not important together with you? Or just adding material when you really need something to explain what you problem? How about your spare time? Or are you busy man? If you don't have spare time to do others business, it is make one feel bored faster. And you have time? What did you do? Everybody has many questions above. They need to answer that question because just their can do this. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on jardín de infancia until university need this specific User-Centered Translation (Translation Practices Explained) to read.

#### **Dorothy Tran:**

Is it an individual who having spare time after that spend it whole day through watching television programs or just laying on the bed? Do you need something new? This User-Centered Translation (Translation Practices Explained) can be the response, oh how comes? It's a book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

#### **Roland Hall:**

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this User-Centered Translation (Translation Practices Explained) can make you experience more interested to read.

#### **Mary Moore:**

Publication is one of source of understanding. We can add our understanding from it.
