Ali Caldwell thought her troubles were over, but she has a new one. She's let her grades fall and now she's on academic probation. She has to get her grades up or leave school. Everyone is talking about an intriguing study system, but Ali realizes it's nothing more than cheating, so she doesn't use it. She studies for hours to get a perfect grade on her next test. Instead of applauding, her teacher accuses her of cheating. To make things worse, the administration is certain that her boyfriend is the mastermind behind it all. She needs to prove that not only didn't she cheat, but Liam is innocent as well, before they both get kicked out of school.
