## **If (If Choices Unravel Book 1) Lenny Smith**

In life there will always be choices and the right choice is often the hardest one to make, but it will never be as hard as living with an eternal "If".

Life was getting a little bit out of control for Karla Berkeley but when her father dies she is given the chance to wipe the slate clean, make a new start and leave her troubled past behind her.

For Karla, this means taking down the emotional barrier she has hidden behind since she was seven years old and finally allowing someone into her heart.

But there is another love in Karla's life, one that threatens to destroy her and she finds that life is soon spinning back out of her control.

As her world starts to collapse around her, it seems that there is only one tragic choice left to make!
