## **Little Ukers - A Comprehensive Ukulele Method For Young Students: Level 1 "D" Tuning - Revised Edition** Melissa Sequeira

The Little Ukers Ukulele Method book is a comprehensive step-by-step approach to teach music reading skills and techniques while playing the ukulele. It is designed to be used in a classroom, or with a small group of students and is not a "teach yourself to play" book.

The book uses imagery, activities, and an innovative approach to teaching students how to play the ukulele and covers the basics of ear training, strumming skills, note reading and music theory, and playing simple melodies.

Available in traditional "D" tuning or common "C" tuning.
