The classical starchitect

Understanding the influence of Andrea Palladio

Andrea Palladio (1508–1580) is largely considered the father of Western architecture. Strongly influenced by formal temple designs in Ancient Greece and Rome, he pioneered a revival of Classical symmetry and perspective, and with it created a **universal architectural language**.

From his humble beginning as a stonemason's apprentice, Palladio rose to become **Chief Architect of the Republic of Venice**, at the time the epicenter of European innovation. There, he designed the church of the **Redentore** and **San Giorgio Maggiore** on the landmark promontory between the Giudecca canal and the greater Venetian lagoon. In nearby Vicenza, Palladio built the world-famous **Basilica**, the **Villa Rotonda**, the **Teatro Olimpico**, and in the surrounding Veneto countryside numerous **rural villas** noted for their inclusion of local, vernacular architecture within a Classical scheme and the use of porticos to provide liminal spaces between the interior and exterior. Both the Palladian villas and the City of Vicenza are today both designated **UNESCO World Heritage sites**.

Overtime, Palladio's architecture evolved into the Palladian style, a universal language of cool, calm elegance that informed buildings from **Capitol Hill** in Washington, D.C.; to Thomas Jefferson's home in **Monticello**, Virginia; to **St Paul's Cathedral**, London. This foundational book from TASCHEN Basic Art 2.0 collates Palladio's most significant structures into one dependable introduction, documenting his development into **one of the most influential architects of all time**.

From reader reviews:

Mindy Simmons:

Book is actually written, printed, or descriptive for everything. You can know everything you want by a e-book. Book has a different type. As you may know that book is important point to bring us around the world. Close to that you can your reading expertise was fluently. A guide Palladio will make you to end up being smarter. You can feel considerably more confidence if you can know about anything. But some of you think this open or reading the book make you bored. It is not make you fun. Why they are often thought like that? Have you searching for best book or ideal book with you?

Marilyn McDermott:

Are you kind of hectic person, only have 10 as well as 15 minute in your morning to upgrading your mind proficiency or thinking skill even analytical thinking? Then you are experiencing problem with the book compared to can satisfy your small amount of time to read it because this time you only find publication that need more time to be read. Palladio can be your answer since it can be read by a person who have those short time problems.

Cami Raley:

In this period globalization it is important to someone to obtain information. The information will make you to definitely understand the condition of the world. The fitness of the world makes the information better to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher in which print many kinds of book. The book that recommended to you is Palladio this e-book consist a lot of the information of the condition of this world now. This specific book was represented how can the world has grown up. The vocabulary styles that writer use for explain it is easy to understand. The writer made some analysis when he makes this book. This is why this book acceptable all of you.

Eugene Howard:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the teacher want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that reading is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this Palladio can make you sense more interested to read.
