I wrote this because I love writing about nature and seasons. This is my favorite kind of freestyle poetry I write best about. I put my best into each and every single poem I write for everyone of my books . I begin my days of writing poetry about nature back in Alabama which I started to write poems from 1978-88 and it was there and then I knew I had a certain feel to write poetry about the beauty and nature even the seasons of the breathtaking beauty of Alabama the way I seen it. Poetry seemed to come alive in me. And of course other years along I just wrote periodically and kept collecting poems. In 1988 I wrote my first manuscript titled Best Loved Poems Of Alabama Collections which I registered first with the Library Of Congress and in this particular manuscript I Have many poems about nature of which many I have yet to have published. One day it will be my dream to re-publish and share this particular book with you friends, and fans of the world of poetry. Now this book is just about nature and more one of my many books I write of nature and poetry. Hope you enjoy this my newest book of poetry.
