That They Might Know Thee Frances Carter Yost

That They Might Know Thee by Francis Carter Yost is a fascinating compilation of fictional stories with a ring of truth. Although their appeal is to all ages, they are told primarily to help 'the youth of the world know Thee' - Jesus Christ. In a most readable, interesting style, Mrs. Yost has depicted some of the most important experiences in His life as they might have been seen and told by His fellow men who worshipped Him in the stable, rejoiced as He healed the blind and leprous men, and marveled as He raised from the dead the daughter of Jairus and the beloved brother of Mary and Martha. These are stories for reading aloud in family home hours or firesides, or alone in quiet contemplation. The enhancement of stories briefly mentioned in scripture becomes a thrilling and inspirational experience for all.
