Amber felt Tim's eyes on her bottom as she walked away from the car. The sexual tension between them was immense, but neither of them dared admit their feelings, because not only was Amber best friends with Tim's daughter Jenny, she was also his babysitter...

When love hits, it's often with hurricane force and without warning. The feelings of helplessness, the hunger, the desire when you're not with the object of love can drive one mad in short order.

It was different for Amber. Not that she didn't feel the hunger, the desire, and the butterflies, but logically, it was a serious problem.

Amber was attractive to be sure, yet she was not sought after by the boys in high school like her friend Jenny. In truth, Amber's beauty far surpassed that of her best friend, but her demeanor, her passive and demure nature hid what was truly there.

She had known Tim for most of her life and there was something particularly attractive about this man. He was older, more wise, seasoned, and infinitely more worldly. His travels and life experience was appealing to her because she had lived in Portland her whole life and left the city only a few times to drive up the coast and catch a Seahawks game in Seattle. Conversely, Tim had seen much of the world including Europe, Africa, and Australia.

Long before he noticed her, she was attracted to him. The smell of his cologne, the sound of his laughter, and his smile was intoxicating to her. Finally, the day came when he began to actually notice her.

Her beauty and gentility shined through and it set the stage for an intense relationship.

Fate had brought them together and now, no one would separate them...

Join Tim and Amber battle their feelings and sexual tension in this romance full of twists!
