Body Alchemy: Photographs

Body Alchemy: Transsexual Portraits is a unique and extraordinary photographic collection by artist Loren Cameron. Body Alchemy is Loren Cameron's intensely personal photo documentary of female-to-male transsexuals (FTMs). A transsexual himself, Cameron brings a sensitive, sophisticated insider's eye to his subject matter. Using documentary style, a series of before-and-after photographs documenting the transformation of a number of FTMs in Cameron's transsexual community, his own striking self-portraits, and intimate autobiographical text, Loren invites the viewer to experience this transformational rite of passage. Loren Cameron's work strikes a warm, familiar tone that invites the viewer's participation - even when the subject matter is quite startling.
