Meet Felicity Merriman, a nine-year-old girl who's as spirited and independent as the American colonies she lives in. In 1774, Felicity's hometown of Williamsburg, Virginia, is buzzing with rumors: will the colonies soon break free from England's rule? Patriots like Felicity's father don't think it's fair to pay taxes to the King of England for things like tea that they buy in America. Loyalists like Felicity's grandfather and her best friend Elizabeth support the king. With fiercely conflicting loyalties dividing family and friends, something as simple as a cup of tea could change Felicity's world forever. Can she find the courage to stand strong for her own beliefs—even if it might mean losing her best friend? Six best-selling Felicity stories are included in this set: Meet Felicity, Felicity Learns a Lesson, Felicity's Surprise, Happy Birthday, Felicity!, Felicity Saves the Day, and Changes for Felicity. Watch these stories come to life on screen in Felicity: An American Girl Adventure, a full-length live-action movie.
