RAMBLERS And Other Rose Species Hybrids Anne Belovich, American Rose Society

Over the years as a result of my obsessive searching out new varieties of ramblers, both in this country and in Europe, I have acquired a very significant collection of about 300 different varieties with more on their way from Europe. This has given me an unusually wonderful opportunity, along with my travels, to photograph and study these interesting plants first hand. Surrounded this way by living subjects, as well as my library, it has been a pleasure to create a written record of what I know about them in this book.
