Why memorize the Bible? In our information-saturated society, with so many details to take in, the idea of memorizing Scripture can seem overwhelming--like one more task on a checklist. But pastor Joshua Choonmin Kang has discovered what happens when we *do* spend time memorizing God's Word: We grasp a larger, truer picture of God. We more closely and more often imitate Christ. We worship God "in Spirit and in truth." We're better able to fulfill God's mission. However, Pastor Kang also knows that memorizing Scripture isn't easy. The process itself, like the transformation it brings, doesn't happen overnight. *Scripture by Heart* is therefore his help for your growth in this important practice. He offers here
