Winner of Prize Americana, The Mares of Lenin Park is the story of Uli, a fourteen-year-old Cuban boy, who struggles to reconcile his deceased father's heroic past with his mother Graciela's new marriage. Finding it more and more difficult to live in the economic times of Cuba following the fall of the Soviet Union, Uli learns that the Revolutionaries are closer than expected - importing drugs to support the failing economy. These discoveries catapult him into a journey involving work camps, murder, and a voyage at sea.
