## **The Road to Auschwitz: Fragments of a Life** Hedi Fried

*The Road to Auschwitz* is the autobiography of Hedi Fried, a fifteen-year-old living in Sighet, Romania, when war breaks out in 1939. In March 1944, Hedi's family, along with three thousand other Jews from her village, are confined to a ghetto, awaiting shipment to Auschwitz. In Auschwitz, amidst the horror, Hedi turns twenty, her sister, Livi, fifteen. As Hedi and Livi will later learn, their parents do not survive.

In April 1945, the sisters are transported to Bergen-Belsen, two months before liberation. Upon liberation, Hedi renews her acquaintance with Michael, another survivor from Sighet. They move to Sweden, marry, and eventually have three sons. It is the loss of Michael, when Hedi is only forty, that prompts this memoir. "It took me forty years to realize that I am a witness and that it is my task to tell what I experienced."
