The Valkyrie Mandy M Roth

A Valkyrie Novel.

For Valerie Falkyr, "Who am I?" isn't the only unanswered question. It's where she was before she woke up four years ago. All she knows is she has one best friend. And Payton, the doctor she trusts with the shreds of her life.

Just as her relationship with Payton starts to heat up and Valerie begins to reach out for something like a normal life, a series of bizarre and unexplainable events begins pummeling her from all sides. Leaving her with a new question to add to the list: "What am I?"

Magical abilities she didn't know she possessed are emerging. And dreams of a former life she doesn't want to remember leave her in a cold sweat.

As darkness descends and old enemies resurface, Valerie finds herself caught in a dark, bloodthirsty world with no way out. Her only defense--Lucha, Gregory and Kerr, three not-quite-human lovers from her inked-out past.

The only question left is whether she will survive long enough to remember which one loved her most...

This novel contains adult content and is intended for mature audiences only. Must be 18 years or older to read.
