**Unconscious Scoring Deluxe: Dave Stockton's Guide to Saving Shots Around the Green** Dave Stockton With over 30 minutes of bonus instructional video and dozens of photographs, this Deluxe eBook will help you score better than ever.

In his bestselling putting guide, *Unconscious Putting*, Dave Stockton introduced amateur players to the techniques, strategies, and mental processes he uses to help tour players like Rory McIlroy, Phil Mickelson, and Annika Sorenstam find so much success on the green. Now, in *Unconscious Scoring*, Stockton completes that short game education by teaching readers how to make the most of the shots around the green—the best place to achieve lower scores.

Simplicity is the key to Stockton's remarkable instruction success, and he breaks down the short game into two components—low shots and high shots—explaining both the technique and the context of how and when the shots should be used. He shows how to master the easy-to-understand basics of those essential chip shots, bunker rescues, and pitches, and coaches readers on everything from stance and grip to ball position and mental technique.

Illustrated with dozens of photos and including behind-the-scenes access to how Stockton has helped revolutionize the games of numerous Tour players, *Unconscious Scoring* reveals the simple processes that will transform the game of every player—whatever their handicap.
