## Examining the Catholic Intellectual Tradition

This collection of essays by a variety of educators, scholars, and theologians lays out some of the content behind the term *Catholic intellectual tradition*, a tradition that is both a treasury of classic and contemporary texts, including religious and aesthetic products, and a *way of doing things* borne of experience, prayer, and critical reflection. Contributions focus on such topics as the ideal of the Catholic mind, the relationship between Catholicism and other faith traditions, notions of the Catholic artist and intellectual, and future directions for Catholic universities.
