## **The national vanguard: the way forward** Colin Jordan

Colin Jordan was one of the most influential postwar National Socialists activists and thinkers, with a political career that spanned over 40 years. This book contains the complete six-part study first published by Colin Jordan in his newsletter, Gothic Ripples. It details the author's development of a number of principles, including his understanding that: - Democracy is a hoax designed to perpetuate power by society's real controllers;- Participation in party politics is pointless;- Christianity is incompatible with National Socialism;- An alternative method of seizing power outside of the ballot box. Included is a discussion on eugenics and race.
