This is the first in a new series of books for Colorado professionals who practice in regulated industries. Along with extensive statutory and regulatory materials reproduced in the appendices, this book includes a lengthy synopsis of legal issues affecting the practice of architecture. Written in plain English, the synopsis covers such issues as qualifications and licensing; the functioning and authority of the state Board of Examiners of Architects; ethics and professionalism; disciplinary proceedings; design and construction standards; stamping and retention of architectural documents; private and government contracting; professional liability; and mechanic's liens.
