This is a multi-author collection that includes stories by award-winning authors Kelly Link, Cat Rambo, Carrie Vaughn, Seanan McGuire, Lavie Tidhar, Sarah Pinsker and others. Behind the Mask is an exciting collection of short stories about the everyday lives of superheroes. Ranging from laugh-out-loud funny to deliciously dark, these stories are about the ordinary day-to-day challenges facing these extraordinary individuals?growing up, growing old, relationships, parenting, coping with that age-old desire to fit in when, let's face it, they don't.

Praise for previous anthology (Love Hurts) edited by Tricia Reeks and Kyle Richardson:

"I've always had a taste for dark," says Reeks in her introduction, and she goes on to prove it with a top-shelf selection of tales, 20 of which are original to this book. . . A well-organized, wide-ranging collection of consistently strong genre stories." -- Kirkus Reviews

"For fans of weird and beautifully written genre fiction, LOVE HURTS is a work that delivers 26 distinct emotional roller coaster rides, each as different from one another as they are from any other story you've probably ever read. As full of creativity as it is of heartbreak, it's a book that truly is full of surprises." -- IndieReader (4.5 Stars)
