Fibrils: The Rules of the Game, Volume 3 (The Margellos World Republic of Letters) Michel Leiris
A major publishing event: the third volume of Michel Leiris's renowned autobiography, now available in English for the first time in a brilliant translation by Lydia Davis

A beloved and versatile author and ethnographer, French intellectual Michel Leiris is often ranked in the company of Proust, Gide, Sartre, and Camus, yet his work remains largely unfamiliar to English-language readers. This brilliant translation of *Fibrils*, the third volume of his monumental autobiographical project *The Rules of the Game*, invites us to discover why Lévi-Strauss proclaimed him “incontestably one of the greatest writers of the century.”

Leiris's autobiographical essay, a thirty-five-year project, is a primary document of the examined life in the twentieth century. In *Fibrils*, Leiris reconciles literary commitment with social/political engagement. He recounts extensive travel and anthropological work, including a 1955 visit to Mao's China. He also details his suicidal “descent into Hell,” when the guilt over an extramarital affair becomes unbearable. A ruthless self-examiner, Leiris seeks to invent a new way of remembering, probe the mechanisms of memory and explore the way a life can be told.
