The First Part of King Henry VI (The New Cambridge Shakespeare) (Pt.1) William Shakespeare
Shakespeare's plays about the reign of Henry VI were for a long time undervalued, but a recent series of outstanding productions by the Royal Shakespeare Company and others has demonstrated their theatrical vitality. This is the first major edition in over twenty-five years. It takes account of recent discoveries concerning Shakespeare's early career and the problems of authorship, and pays particular attention to recent theatrical history. This textually authoritative edition reveals King Henry VI as a dramatically innovative and politically radical account of key events in the Hundred Years War.
