The Honors College Phenomenon (NCHC Monograph Series)

Peter C. Sederberg

The Honors College Phenomenon (NCHC Monograph Series) Peter C. Sederberg

This monograph examines the growth of honors colleges since 1990: historical and descriptive characterizations of the trend, alternative models that include determining whether becoming a college is appropriate, and stories of creation and recreation. Leaders whose institutions are contemplating or taking this step as well as those directing established colleges should find these essays valuable.
