The Rancher's Expectant Christmas (Wed in the West) Karen Templeton

An unexpected homecoming

Deanna Blake is stunned at the loss of her estranged father—and inheriting half his ranch. In a strange twist, the other half goes to Josh Talbot...her former crush and one of the many sources of trouble between Dee and her dad. Not to worry. The single mom-to-be hates this place, steeped in reminders of the past she's still trying to leave behind. She'll sell her share now and ensure a comfortable future for her unborn child.

Except Josh can't afford to buy her out. Reluctantly, the handsome cowboy agrees to sell the entire operation and split the proceeds. Josh—and his young son—will have to start over. But as Dee warms to their friendship, something sparks. And Josh begins to wonder if maybe they should keep it all in the family.
