As a result of widespread disinformation, present-day UFO researchers and enthusiasts are not just faced with derision among the general public and the mainstream media, but with rampant speculation about the extraterrestrial presence from within their own ranks as well.

The essays in this volume are intended to help the reader distinguish between corroborated facts and speculation, and will hopefully remove the need of many today to find an 'alien' scapegoat - or saviour, as the case may be - for the dire situation that we ourselves, as a planetary species, have created and need to resolve.
