## DESIRE RUNS DEEP

Somewhere off the coast of Greece, a king's ransom in gold, emeralds, and silver coins lies waiting at the bottom of the sea. Finding this ancient treasure would be a dream come true for marine archeologist Calista West. But that's not why she's here. She didn't climb aboard Jonah Cutter's magnificent yacht seeking fortune or fame. She's come for revenge?against the sexiest, most seductive, modern-day pirate she's ever encountered...

Like his famous half brothers, Jonah is a master of salvaging ships?and driving women mad with his movie-star looks and raw animal magnetism. Tall, dark, and devastating, he manages to make Callie forget her mission. Every moment they share under the hot Mediterranean sun is an erotically-charged adventure neither can resist. But when Callie discovers what he's really after?the lost city of Atlantis?is it too late to change the course of her heart...or go all in with the lover of her dreams?
