Packed with information, authoritative, up to date, covering all major topics - and written in plain English - Telecom 101 is an invaluable textbook and day-to-day reference on telecommunications. Telecom 101 covers the core knowledge set required in the telecom business today: the technologies, the players, the products and services, jargon and buzzwords, and most importantly, the underlying ideas... and how it all fits together. The course materials for Teracom's famous Course 101 Telecom, Datacom and Networking for Non-Engineers, augmented with additional topics and bound in this one volume bring you consistency, completeness and unbeatable value. Our approach can be summed up with a simple philosophy: Start at the beginning. Progress in a logical order. Build one concept on top of another. Finish at the end. Avoid jargon. Speak in plain English. Bust the buzzwords, demystify jargon, and cut through doubletalk. Fill in the gaps, build a solid base of knowledge, put a structure in place and show how everything fits together... knowledge and understanding that lasts a lifetime. Ideal for anyone needing a book covering all major topics in telecom, data communications, IP and networking... in plain English. A wealth of clear, concise, organized knowledge, impossible to find in one place anywhere else! Join thousands of satisfied customers. Get your copy today! Your Go-To Telecom Resource Covering All Major Topics • An invaluable day-to-day reference handbook • Learn and retain more reading a hard copy, professionally printed and bound • Up-to-date: published 2016 • Allows you to study and review topics before attending a course • An economical and convenient way to self-study ... these are the materials to an instructor-led course that costs $1395 to attend. • The Certification Study Guide for the prestigious TCO Certified Telecommunications Analyst (CTA) telecommunications certification.

From reader reviews:

Colby McCray:

What do you think about book? It is just for students because they're still students or this for all people in the world, the particular best subject for that? Simply you can be answered for that query above. Every person has distinct personality and hobby for each and every other. Don't to be obligated someone or something that they don't desire do that. You must know how great in addition to important the book Telecom 101. All type of book is it possible to see on many methods. You can look for the internet solutions or other social media.

Elizabeth Ashton:

What do you regarding book? It is not important along? Or just adding material if you want something to explain what your own problem? How about your spare time? Or are you busy person? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? Every individual has many questions above. They have to answer that question since just their can do that. It said that about book. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need that Telecom 101 to read.

Christina Vallejo:

Typically the book Telecom 101 has a lot of information on it. So when you read this book you can get a lot of profit. The book was compiled by the very famous author. The writer makes some research ahead of write this book. This book very easy to read you can find the point easily after reading this book.

Richard Russell:

This Telecom 101 is great book for you because the content and that is full of information for you who have always deal with world and have to make decision every minute. This particular book reveal it info accurately using great manage word or we can declare no rambling sentences inside it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides straight forward sentences but challenging core information with attractive delivering sentences. Having Telecom 101 in your hand like finding the world in your arm, information in it is not ridiculous 1. We can say that no guide that offer you world in ten or fifteen second right but this publication already do that. So , this is good reading book. Hey there Mr. and Mrs. busy do you still doubt which?
