The Unresolved T. K. Welsh

Mallory Meer has just turned fifteen years old, and within an hour, thanks to the only boy she's ever loved, she'll be dead, a victim of the General Slocum steamship disaster. Bound by love to her grieving family, and outraged by the multitude of senseless deaths, Mallory haunts those responsible for the tragedy, determined to see that justice is served.

T. K. Welsh's beautifully crafted novel, his first for young adults, is at once a chilling ghost story, an ode to the power of love, and a tribute to those who died in the second-largest disaster in New York City history.
